

Position open for Mountain Fox Garage Doors

Mountain Fox Garage Doors is an IDA accredited, family-owned garage door company out of Colorado Springs that is now hiring a qualified garage door technician.

- We service & install sectional steel doors, wood doors, rolling steel doors, security shutters, medium & heavy duty garage door operators.
- Individual must have mechanical/carpentry experience -- willing to train to be a technician who usually works alone.
- Must be able to lift 16' garage door sections & install 16' doors independently.
- Must submit to a background check & may be subject to drug testing.
- Normal hours are 7:30 am-5:30 pm Monday-Friday & our technicians rotate working half days on Saturdays for about 4-6 hours - we are flexible with scheduling.
- Experience with LiftMaster products, Genie products & Torque Master Springs would be a plus.
- We offer competitive wages, but we do not offer benefits at this time.

Please respond via email mountainfoxdoors@gmail.com with your resume and/or skill set and, if interested, we will contact you for an interview.
